|  | LSP Construction Limited | LSP-QMS-03-POL-0001 |
| | Quality Policy | Rev-00 Page 1 of 1 |

The management of LSP Construction limited have defined and documented the following commitment with respect to quality. Every staff member has the responsibility to ensure that the intentions of the policy statement is understood, applied, and maintained within their own activity area.

The Quality Policy of the Company is:

- To establish and maintain a Quality Management System that satisfy the requirements of ISO 9001:2015 and any other Client specific quality requirements.
- Consistently provide products & services in a manner that will satisfy client requirements in all respect
- Reduce risk
- Ensure all company personnel are fully competent to carry out their assigned tasks
- Continual improvement of client satisfaction through analysis of satisfaction survey data
- Improve Profitability and company value
- Solidify company identity with our customers
- Create a healthy working environment for our employees
- Continually improve our process compliance with applicable needs and expectations of our stakeholders/interested parties
- Review the QMS at planned intervals to ensure it is effective and achieving the stated objectives

The company top management are fully committed to encourage a similar commitment above and actively by personnel at all levels of the Company.

This Quality Policy is evaluated as part of the overall review of the QMS annually by LSP Top Management.

Signed:

.....Dated: 05th June 2021

Louis J Fourie
Managing Director
